THEY SAY

Life is uncertain.
Everything is chance in life.
Life is what you make it.
Nothing is certain until it is made certain.
Speak well of your friends it will pay you.
Look out for the daily Bee.
Roosevelt will have a hard road to travel.
Think well of every one, and never believe all that is told you.
Some people talk of you because others do.
Remember that every subject has two sides.
Always give your enemies the benefit of every doubt.
It is dangerous to come to conclusions on circumstantial evidence.
Many an innocent person is convicted by just such means.
False representations should be left to those who are false to themselves.
Judges cannot agree at all times, how can lawyers.
Shysters not should be recognized.
It is the great man who will succeed.
A truthful man is an honest man. He can be trusted.
The daily Post has taken a rest on the negro question.
It is against the law to laugh at a policeman in the street.
If you do your duty, nothing more can be expected of you.
The position of a public officer is a hard one.
The Afro-American League is still sleeping.
Why cannot colored men organize politically?
What the colored voter needs is manhood.
Pension Commissioner Evans has made more promotions than any of his predecessors.
The colored clerk has been fairly treated.
Don't be too certain of anything.
Never dig a well for others you may fall into it yourself.
Mudd will not be a popular article in Maryland.
Sidney now wants the negro vote.
He will never get it and don't you forget it.
The socialist party has four candidates for Congress in Md.
Be careful how you talk and to whom you talk.
Your friends will betray you some times innocently.
Some people cannot judge a good thing when they have it.
Virginia politics as well as New York politics will need coloring.
Both parties in both states are after black ink.
The ink is hard to show up on the paper they are using.
We appeal to those we have abused sometimes.
No representative District negro has been appointed as yet.
The truth is the best thing to tell always.
Home rule is what the people of this city want.
Speak the truth at all times.
The High School teacher, Prof. Gregory, is a learned young man.
Has Miss Moten decided to resign as yet?
The negro and the democratic party are questions at issue now.
Negro leadership is a thing of the past.
There are only two persons interested in the Douglass bill.
The beneficiary and the author of the bill.
The colored people of the country are opposed to its passage.
Some people get themselves into a hole and endeavor to saddle the blame upon others' shoulders.

For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and, therefore, requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. ROYAL BLUE TRAINS.

In September last, railway officials from London were sent to America, to get ideas on the railway passenger service of the leading lines in this country, and in their official report, which was printed in the London Times in January, it was stated that the "Royal Blue Line" series of magnificent passenger trains, running between New York, Philadelphia, Baltimore and Washington, lead the world for quick and exquisite train service.

The "Royal Blue Line" service consists of nine elegant passenger trains a day in each direction between the cities named above. They are the finest and fastest trains in the world. Their equipment was built especially for the service by the Pullman Company, and includes every modern convenience known for the comfort of passengers. The trains are vestibuled from end to end, and hauled by the strongest and fastest locomotives in the United States.

The exquisite day coaches of these trains are worthy of special note. They are beautifully upholstered, each containing a washroom and smoking compartment.

The parlor cars are the most palatial ever built, being fully seventy-three feet long. In addition to this service, three new parlor cars were added in April, and are the first of this kind ever run; they are richly upholstered and ornamented throughout in most beautiful designs. A ladies' retiring-room is provided in one end of the car. This room, which is six feet square, is furnished with a beautiful dresser with large mirror and a number of drawers. On each side of it are upholstered corner seats. In another corner is a bookcase and stationery stand. The room was designed for special comfort of ladies, who have always claimed men had the best of it when travelling. The usual smoking apartment, however, is at the opposite end of the car.

The dining cars are operated by the Baltimore & Ohio Railroad Company, and especial attention is given to the menu. Every delicacy is served in season, and the service is unsurpassed. In addition to the already perfect service of "Royal Blue Trains" mentioned above, there will be put into service May 15 a "Royal Limited" train, which will leave New York at 1.00 P. M., making the run to Washington in FIVE hours. Returning, the "Royal Limited" will leave Washington at 3.00 P. M., arriving New York at 8.10 P. M. The "Royal Blue Line" will then boast of three trains which make this extraordinary fast time between Washington and New York, which has never been attained by any other line. The "Royal Blue Trains" between Baltimore and Washington make the run in FORTY-FIVE MINUTES—the fastest regular service ever attained between the two cities.

The terminal at New York City is the most convenient for all points in Greater New York. Passengers can land at South Ferry (Whitehall Terminal), where, under the same roof, connection is made with the elevated lines of the Second, Third, Sixth and Ninth Avenues, and the Broadway, Lexington and Columbus Avenue Cables. All the Brooklyn Ferries also start from this point, and by taking

SCHOOL OF PRINTING.

We would respectfully call our readers' attention to a new field of labor that THE BEE has inaugurated at its office, 1109 I street, N. W.—a School of Printing for colored youths. It is the intention of the management that any who may avail themselves of the advantages of this school, shall receive a complete practical training in the art of printing in all its branches. The instructions will be under the personal supervision of Mr. Chas. E. Speiden, member of the Typographical Union of this city, and who is without doubt among the best all-around printers in the country. Our facilities will be augmented by an entire new printing outfit, including all the latest styles of type, job presses and cylinder press, which will give pupils a chance to be up-to-date in the trade. In this connection we would ask our patrons to send in their orders for job work of any kind, as we will now be able to fill all orders from the smallest visiting card to the largest poster, and promise that our prices and work will compare favorably with those of any firm in the city.

Any young man desiring a trade will do well to write us for terms, etc., or call at this office and look over the establishment. The school will open on July 26th, and those desiring tuition will do well to inquire at once, as only a limited number can of necessity be accommodated. For information, terms, etc., Address, W. Calvin Chase, Manager Bee School of Printing.

Thanking you for past favors, and feeling assured of your support in this new endeavor, we are yours,
THE BEE.

ADVANTAGE

OF

BAILEY'S IMPROVED TRUSS.

It adjusts itself so perfectly to the rupture that it is impossible for it to become displaced. It permits the utmost freedom of motion with perfect safety. All uncomfortable and injurious steel spring pressure is avoided. The pad is held in place by woven bands, which retain an equal pressure in all positions of the body. It can be worn in bed, a great desideratum to the young as tending to a perfect cure.

It is the only suitable truss for children and females. The proper amount of pressure can be brought to bear and maintained in any position without pinching or harm to the wearer.

It will cure hernia if placed on the patient sufficiently early. Excepting umbilical, it is the best truss ever offered for all kinds of hernia.

It is so perfect and comfortable in its adjustment that the patient in a short time forgets he is wearing it. (See the certificate of Mr. Daniel Johnson.) Sent postage paid to any address on receipt of price; \$3 for single and \$4 for double truss.

In ordering, give location of hernia, right or left side, and measurement. Satisfaction given or money refunded when the truss is returned in good order. Address:

Maid—Deception of any kind should be ignored. A person who does one thing and says another is deceitful.

D. E.—It is useless to buy a fall hat since you have a blue, brown or gray straw which can be trimmed with black velvet and ostrich tips and look as pretty as any new fall style.

M.—Let your greatest ambition be to do your duty.

Esther—I have no doubt that the cause of the low marriage is that many men dislike intellectual women; they are afraid that their wives may know more than they do, hence such marriages.

L.—I agree with you when you say that the more careless a person seems the better he seems to be liked, but such admiration is of short duration. Matters not how much a man may admire the company of a gay young miss he admires modesty wherever found.

Ida—I cannot fail to appreciate the courtesy you have shown me. Read the daily and weekly newspapers also choose literature to broaden your ideas. Cheap novels are not helpful to any one.

Personally, I like men that I can look up to, but believe that the day is not far distant when women will not only be man's equal intellectually but man's superior. No, I am not in favor of men as school teachers, it looks too feminine or that it is taking work from women. Women no doubt, make better teachers than men.

Pupil—The Normal school misses are exceedingly bright this year and a prosperous term is predicted.

A. T.—Your womanly qualities surpasses your charms and have won for you nothing but the highest praise; however, don't keep the gentleman waiting so long.

Nellie—The cultivation of simple habits, refinement and taste in dress as well as sedateness, will go far to show the true woman or man.

Troubled mother—Even if you do not approve of the young man, it is better that your daughter should meet him under your roof than elsewhere. Keep your girl's confidence and try to show her that you have only her good at heart.

Reader—I cannot give the full name of writers to this column. I shall be glad to answer any question you may ask.

Laura—A girl of seventeen summers and only in the Sixth grade, would make better time studying the profession of trained nurse. No payment is required to enter a school for trained nurses. A good nurse can always demand from ten to twenty dollars per week.

Beginner—Short, plain and frequent lessons in music are best. The best results cannot be attained in anything when one's patience is taxed.

E. T.—Flashy dresses look vulgar on a sedate young lady.

L. T.—Miss E. F. G. M., is supervising principal of the primary department and a most excellent teacher.

Marriage—It is reported that Miss L. E. M. will marry very soon. It is not known who will succeed her. It is better for you to seek a position that you can fill.

School—There is too much meddling on the part of the authorities. Teachers should be disciplined.

Ellis—You should be satisfied with what you have.

High school—It is not certain whether the business high school will have a principal or not. It will be a male if the school authorities decide to have one.

J.—Your refined manners are bound to be appreciated. Refinement in women is bound to win.

Etta—You have an independent spirit which must be admired in man or woman.

A.—You have a very expressive eye. Such an eye is coquettish, which means that you have your eyes on more than one. Some girls are hard to please.

Isabella—Patience is usually rewarded. All things come to him who waits.

Bride—At a quiet home wedding, with a trip in view, it is quite the proper thing for the bride to wear a dark traveling dress.

L. C.—It is most unfortunate, but it is true, that physically, a woman grows older sooner than a man and that is one of the reasons why I object to a woman marrying a man her junior.

Miss D.—It is unnecessary to show any weakness when you are right. Be a positive character.

Miss L. E. C.—True friendship can only be found in an honest woman. Truthfulness should be your motto.

Etta—It is unnecessary to be suspicious of your friends. You must trust some one. Be mild in your dress.

Miss E. F. G. M.—is a very positive character and a lady not easily fooled. E. T., it would be well for you to consult her.

School—The transfer of the principal from Garnett to Lincoln has given satisfaction to the ladies of Garnett, but is regretted by the ladies of Cook.

Washington, D. C. Oct. 4, 98.—To
whom this may concern, this comes
greeting—This is to certify, that I and
a number of my friends have severed
our masonic connections with the
Ill. J. G. Jones 33°, in all the different
departments, and for good reasons we
have placed ourselves under the pro-
tection of the mother of masonry in

Then appointed the following com-
mittees viz: Grievance, Correspond-

Jurisprudence. The Grand Lodge
was presented with its Charter from
the supreme head. Empowering it to
work after remarks the grand lodge
closed.

October the 4th. The M. W. Eu-
reka Grand Lodge, (Compacts) were
duly incorporated under the laws of
the D. C., by D. F. Seville, O. R.
King, J. N. Adams, W. H. Hill, H.
Schuler.

The women masons whom we made
mention of during the last few months
have been of much assistance during
the recent war. They have been vis-
iting the homes and doing for the
families of the soldiers. They wear
a red cross with a white circle, which
hangs from a triangle and compass.
They also wear a small blue enamel
trowel pin with Isis in gold letters
upon it. This women lodge has been
promised a charter and ritual from
the Scottish Grand Lodge of France.

Relative to women masons, in Mex-
ico, there are lodges that make
women and the women are elevated
